Experienced in Dysphagia? Become a Mentor!

Join the IALP Dysphagia Mentorship Programme

Become a mentor and support clinicians from low- or middle-income countries in developing their skills and confidence in dysphagia management.

Who Can Apply?

This opportunity is open to clinicians who are:

- ✓ At least 5 years of independent clinical experience in dysphagia
- ✓ Experience supervising or mentoring junior clinicians
- ✓ Hold a current individual membership with IALP
- ✓ Equipped with WiFi and access to virtual platforms
- ✓ Committed to attending at least 6 mentorship sessions over 12 months, plus an online induction. Starting from February 2026.

Apply Today! Please scan the QR code or click on the link to fill in the application form:
